RETAILER INCENTIVE PROGRAMS FOR JANUARY - MARCH 2019

Qualification goals for this quarter were still being established as Game Line went to press. Please consult with your Lottery District Sales Representative for this information.

CASHLESS BONUS COMMISSION

Retailers who achieve their quarterly sales goal(s), accept debit and credit for Lottery product purchases, and have three pieces of Cashless POS displayed, will be entitled to an additional 1% Cashless Bonus Commission for sales. The Cashless Bonus Commission is NOT a qualifier for the 1% bonus commission. It is a separate qualifier for an additional 1%. If retailers meet all of the Incentive Program requirements and qualifiers as described above AND they accept credit and debit cards, they could earn 1% Retailer Bonus Commission award AND 1% Cashless Bonus Commission for a total of 2% bonus commission. It is the retailer's responsibility to obtain their incentive number before the end of the quarter and track their progress to their incentive goal.

For questions, please contact your District Sales Representative (DSR).

MILLION DOLLAR RETAILER

Imad Khalil of Kelly Fuel Mart in Melvindale is pleased to represent his establishment in our ongoing gallery of million dollar Lottery-selling retailers.

INCOME TAX INFORMATION WILL BE MAILING IN LATE JANUARY

Retailer sales and commissions statements are scheduled for mailing on January 31, 2019 and cannot be provided before then.

Duplicate commission statements can be requested by calling 517-373-6001 after February 8, 2019.

IMPORTANT RETAILER REMINDERS

- Lottery retailers are required to confirm ticket deliveries upon receipt. Confirming deliveries safeguards that your ticket shipment has been delivered and received.
- Also, please remember to activate packs of tickets prior to placing them out for sale. Tickets that are sold without prior activation prevent Lottery players from cashing winning tickets.
- Lottery retailers are required to properly secure terminal ticket stock, per Lottery Rule 432.4(2)k. Always store your rolls in a secure area behind the counter – not accessible to players – and do not leave them sitting out, unattended. This stock is not to be shared with other retailers.
- According to Lottery Act/Rule R432.6(c), retailers shall not purchase winning Lottery tickets from an original purchaser or from subsequent purchasers. Retailers are allowed to cash winning tickets up to \$600 on their terminals. If a player has a winning ticket greater than \$600, the retailer should direct the player to a Lottery Claim Center to receive payment. This Act grants the Bureau authority to suspend or revoke the license of any retailer who violates the Act.
