LOTTERY COUPONS

Retailers are reminded that while you use the "Instant Coupon" button to redeem the coupon, Free Play coupons can be used on any Lottery product purchase – for Instant or Draw Games. Cash should never be given to a player for a coupon.

TO REDEEM A COUPON

From the home screen, touch COUPONS, then select the desired option: Instant/Pull Tab Coupon or Draw Game Coupon. Coupons should be kept to balance at the end of each business day. The value of the coupons in the cash drawer should match the value of the coupons listed on the sales report at day's end.

Refer to your reference guide for more details.

WITHDRAW AT RETAIL VOUCHER INFORMATION

The Withdraw at Retail Voucher is a new withdrawal option for people who have winnings in their Michigan Lottery online account. Withdraw Vouchers must be printed and then taken to any Lottery retailer. This allows an online player to quickly cash winnings in-store and results in a player with cash-in-hand at the store.

Vouchers are in whole dollar amounts and can range from \$10 to \$200. Retailers earn a 2% cashing commission on all vouchers cashed. Withdraw Vouchers can be validated (redeemed) from any screen on the Altura, and if ES validates it, then it is authentic. Terminals will ask retailers to verify that they have enough funds to pay the player, similar to the process for redeeming winning tickets.

Vouchers expire 30 days from the date of issuance; if not cashed prior to the expiration date, the money will automatically go back in the player's account. The issued and expiration dates are listed on the voucher.

Withdraw Vouchers are requested by the player through their Michigan Lottery online account. Upon approval, a Withdraw Voucher is available to print immediately. Call 1-800-592-4040 for assistance if there are any issues.
