Tips for Playing Responsibly

- Think of gambling as an enjoyable form of entertainment, not a way to make money
- Set time and money limits and stick to them
- Only spend what you can afford to lose
- Avoid gambling when upset, angry or stressed
- Gambling is not advised for those in recovery for addictive disorders or dependencies

Knowing your limits is always the best bet. Call the Michigan Problem Gambling Helpline for confidential help at 1-800-270-7117.
